Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Reason(s) for decision

1) The proposed advertisement would by virtue of its size, location, design and appearance have a detrimental impact on visual amenity, character, appearance and ongoing regeneration of the surrounding area constituting an unduly obtrusive, incongruous and overly dominant feature to the listed building on which it would be located and within the wider street scene. The proposal would also result in harm to the appearance and setting of Piccadilly Station and nearby London Road Fire Station. The proposal would result in less than substantial harm to the significance of heritage assets and there would not be the required public benefits to outweigh this. The advertisement would be contrary to Government Guidance contained in Section 12 and 16 of the National Planning Policy Framework, the Core Strategy for the City of Manchester in particular policies EN1 (Design Principles and Strategic Character Areas), CC9 (Design and Heritage), EN3 (Heritage), DM1 (Development Management) and SP1 (Spatial Principles), the Guide to Development in Manchester, in particular paragraphs 2.6 and

11.45 and saved policies DC15.1, and DC15.2 (Advertisements, Hoardings and Posters), DC18.1 (Conservation Areas), DC19.1 (Listed Buildings) of The Unitary Development Plan for the City of Manchester (UDP) and Manchester Piccadilly Strategic Regeneration Framework.
