0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	N/A

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste - 1
Pulpable Recycling -
Mixed Recycling - 1
Food Waste -
Industrial Waste -

Has / will a contract be obtained with a licenced waste carrier?	☒
--	-------------------------------------

Mixed Use Developments

Are the stores for residential and commercial separate from each other?	☐
---	--------------------------

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Licensed waste carrier will collect the general waste and recycling waste at the collection point at the side of the building twice a day.
Licensed waste carrier will empty general waste bin twice a day and once a day for the recycling bins.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

--

Ensure all bins in the store are accessible	☒
Ensure recycling facilities are as easy to access as general refuse	☒

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - The proposed bin storage has natural existing ventilation

Hygiene - The proposed bin storage is maintained routinely by tenants of the commercial unit and put out for collection twice a day at the collection point.

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

Please ensure that you have attached:

Detailed plans of waste stores	☒
Location plans showing stores	☒
Location plans showing the proposed collection point and the route the collection vehicle will take	☐

Please ensure that you have completed this form in accordance with our GD04 Waste Storage and Collection Guidance for New Developments
