John,

Fletcher Moss Gardens Wilmslow Road Manchester M20 2SW - 134026/TCA/2022

The application is to remove several mature trees due to a dangerous wall report.

As discussed, I Noel has been heavily involved in this application and I can confirm that the work is all above board and the mitigation is acceptable.

There may be some backlash from the public following this work, however, we have been told that this is absolutely necessary.

Kind regards
