Description of Proposed Works

Please describe the proposed works

Extension of the property at the right hand side and front right half of the building to open up a very small kitchen to become a livingroom, add a downstairs WC and utility room. Current living room will become a dining room and the current kitchen will move to the current back room to be at the rear of the house with patio doors into the back garden.

Upstairs will open up the box room to become a master bedroom with en-suite and combine the current bathroom and toilet into a combined family bathroom.

The current stairs will be moved forward so that they reach the top floor where the current toilet is - allowing for additional storage upstairs. No changes to the current main and second bedrooms upstairs.

This will not encroach any rear space and will leave plenty of room at the side of the property and will not impact the current space allocated for vehicles in any way. It will reduce partially the garden space at the front of the home, however we will extend this right to recover some green space. At least 3m to the front boundary (most likely 4m) will be retained with the extension and the to the right (at the closest point) there will remain 1.3m pathway to the rear of the building, which is the same space we currently have at the closest point of the current building to the right hand boundary. This is achieved by not extending right to the rear of the property to leave this space available.

Has the work already been started without consent?

- ☐ Yes
☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

Mixture of smooth red facing bricks covering the bottom 3/4 of the walls with the upper quarter being red imperial bricks. Lower 3/4 painted white.

Proposed materials and finishes:

Same as current building although paint from current structure will be stripped back to brick. New extension to be covered in rendering painted white in keeping with properties to the left, right and opposite. Will be using red imperial bricks on top half (reclaimed to match).

Type:

Roof

Existing materials and finishes:

Regular roof tiling, grey. Hip roof.

Proposed materials and finishes:

Same as current roof, extension roof to fit into current roof. Most likely replace all roof tiles at the same tile with new (same type and colour as current as current roof has some missing tiles, gaps and could do with a refresh.

Type:

Windows

Existing materials and finishes:

uPVC, white

Proposed materials and finishes:

uPvc, white or charcoal - will be all one colour. If charcoal all windows will be replaced. If white only extension windows will be needed.

Type:

Doors

Existing materials and finishes:

UPVc side door and back patio doors

Proposed materials and finishes:

UPVc side door and patio doors - patio doors no change to current, side door will be moved from current location to the new entry point in the extension to the hall.
