| Scale Bar                                                                                   | To be used as guidance only |      |      |  |
|---------------------------------------------------------------------------------------------|-----------------------------|------|------|--|
| 1:5 mm   | 50                          | 150  | 250  |  |
| 1:10 mm  | 100                         | 300  | 500  |  |
| 1:20 mm  | 200                         | 600  | 1000 |  |
| 1:50 mm  | 500                         | 1500 | 2500 |  |

The keyplan shows a rectangular site divided into four sections. The top section is labeled 'Elevation 4'. The bottom section is labeled 'Elevation 2'. The left side of the site is labeled 'Elevation 1'. The right side of the site is labeled 'Elevation 3'. The site is bounded by a thick black line.

The KEYPLAN diagram shows the layout of the site. It features a large, irregularly shaped area with a jagged, stepped boundary. The area is divided into four sections, each labeled with an elevation number: Elevation 1 (bottom left), Elevation 2 (bottom center), Elevation 3 (bottom right), and Elevation 4 (top center). The sections are separated by lines, and the overall shape is defined by a thick, dark boundary.

The keyplan shows a rectangular site divided into four sections. The top section is labeled 'Elevation 4'. The bottom section is labeled 'Elevation 2'. The left section is labeled 'Elevation 1'. The right section is labeled 'Elevation 3'. The sections are separated by lines representing walls or boundaries.

The keyplan shows a rectangular site divided into four sections. The top section is labeled 'Elevation 4'. The bottom section is labeled 'Elevation 2'. The left side of the site is labeled 'Elevation 1'. The right side of the site is labeled 'Elevation 3'. The site is bounded by a thick black line.
