Details of the pre-application advice received

A meeting was held with the Local Planning Authority (LPA) on the 21st February 2022 to discuss the proposed amendments, which was followed up by email correspondence sharing the proposed amends. From these discussions, the LPA had confirmed their support in-principle for the revised proposals and agreed that the planning mechanism that should be used for handling the changes is an application under Section 96a of the Town and Country Planning Act 1990, to amend Planning Permission ref. 123261/FO/2019.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
