Part 1 – Particulars of the application/development

Proposal: Change of use of part of ground floor to form commercial kitchen for the preparation and delivery of hot food off the premises together with the installation of extraction flue to the rear

Location: 704 Burnage Lane, Manchester, M19 1NA

Date of application: 22 April 2022

Application number: 132440/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The application has been determined in a positive and proactive manner. In this instance officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed location of the development together with the associated servicing and activity associated with the proposed enterprise would represent an encroachment of the associated commercial area upon adjacent residential properties. Due to the relationship of the proposed site with neighbouring residential properties, residential occupiers would be subject to increased levels of noise, and disturbance, due to increased levels of activity. This in turn would be harmful to living conditions and a reasonable level of amenity. As such, the proposed development is contrary to policies DM1 and SP1 of the Manchester Core Strategy, and saved Unitary Development Plan policy DC26.1 and the National Planning Policy Framework (NPPF).

Date: 14 June 2022

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
