Morning Paula

Please see request for feasibility below and provide only drawings at this stage.

Again, please do not contact until next week as I have only just sent intro letter to tenant.

Re: Master Alfie Austin

11 Mountain Street

Guinness - deferred for technical feasibility to create a secure/safe garden including replacing the garden fence with higher anti-climb fencing (with possible roller rails) and levelling the ground in the rear garden. Please complete a joint visit with Rae Bridge, OT (rae.bridge@Manchester.gov.uk). A wet floor shower facility in the existing bathroom has also been requested- may be beneficial to survey this at the same time.

Thanks

Joanne McCabe | Project Officer, Assets, Building Surveying | One Manchester
