MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Erection of two storey dwellinghouse (Class C3) with associated landscaping and boundary treatment

Location: Land Adjacent To 57 Grimshaw Lane, Manchester, M40 2AX

Date of application: 22 September 2025

Application number: 144020/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have engaged with the applicant's 'agent to ensures that sufficient details have been provided in relation to measures to manage flood risk. The submitted and supplementary information has facilitated the assessment and positive determination of the development.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Chapter 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawing and documents received by the City Council as local planning authority on 22 September 2025 and 27 November 2025.

Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025.
Proposed site plan with red edge.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

3) Before the commencement of above ground construction works, a scheme shall be submitted to and approved in writing by the City Council as local planning authority providing until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority. The development shall be constructed in accordance with the approved details, which shall be maintained in situ thereafter.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy for the City of Manchester.

4) The authorised development relates to the erection of one, four bedroom dwellinghouse as detailed in the approved drawing (Class C3).

Reason - To safeguard the amenities of the occupiers of occupiers of nearby residential properties pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester and saved policy DC26 of the Unitary Development Plan.

5) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no part of the residential units shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2015, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a) not precluding occupation by two unrelated people sharing a property.

Reason - In the exceptional circumstances of a proliferation of HMOs restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through the provision of accommodation that is suitable for people living as families pursuant to paragraph 7.4 of the Guide to Development in Manchester: Supplementary Planning Document and Planning Guidance, the National Planning Policy Framework and policies SP1 and DM1 of the Core Strategy for the City of Manchester.

6) Notwithstanding the provisions of Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and reenacting that Order with or without modification), no extensions (Class A), roof additions
(Class B), roof alterations (Class C), porches (Class D), outbuildings (Class E), hard surfaces (Class F), chimneys, flues, etc. (Class G), microwave antennae (Class H)]

shall be erected without planning permission being granted by the Local Planning Authority.

Reason - In the interests of residential amenity, pursuant to policies DM1 and SP1 of the Core Strategy for the City of Manchester.

7) Notwithstanding the provisions of Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and reenacting that Order with or without modification), no windows, doors or other openings shall
be installed in the ground and first floor of the northern and easter elevations of the development hereby approved, without planning permission being granted by the Local Planning Authority.

Reason - In the interests of residential amenity, pursuant to policies DM1 and SP1 of the Core Strategy for the City of Manchester.

8) Before the occupation of the development the bathroom window as indicated on the approved drawing Ref: Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025 and within the first floor side (northern) elevation shall be obscure glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy for the City of Manchester.

9) Before the occupation of the development the first floor bedroom window in the rear (eastern) elevation shall be obscure glazed to a height of 1700 mm above internal floor level (as shown on Ref: Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025) and to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy for the City of Manchester.

10) Before the commencement of development, a construction management plan outlining working practices shall be submitted to and approved in writing by the City Council as Local Planning authority, which for the avoidance of doubt shall include:

i. Measures to control noise and vibration;
ii. Dust suppression measures;
iii. Compound locations where relevant;
iv. Details of an emergency contact telephone number
v. A community consultation plan and
vi. Sheeting of construction vehicles.

The development shall only be carried out in accordance with the approved management plan.

Reason - To safeguard the amenities of nearby residents pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

11) The development shall be implemented in accordance with the finished floor levels detailed on drawing Ref: Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025, which shall be maintained in situ thereafter.

Reason: To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to policy EN14 and EN17 of the Core Strategy for City of Manchester.

12) Prior to the commencement of the development hereby approved, a surface water drainage layout for the development site shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the following:
i. Finalised surface water drainage layout including all components, levels and connectivity.
ii. Evidence of connection approval in principle.
iii. Maintenance and management plan including responsible party and a schedule of tasks/frequencies for the components.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation/use of the development.

Reason: To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to policy EN14 and EN17 of the Core Strategy for City of Manchester.

13) a. Before commencement of the development hereby approved, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to the City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority. The development shall then be carried out in accordance with the approved Site Investigation Report and/or Remediation Strategy.

b. Prior to the first use/occupation of the development, a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority, to validate that the development conforms with the approved Site Investigation Report and/or Remediation Strategy.

c. In the event of any non-conformity with the approved Site Investigation Report and/or Remediation Strategy, then any further measures that are required to remediate the land shall be carried out. Any required measures/remediation and validation shall continue until conformity has been achieved and agreed in writing by the City Council as local planning authority, prior to first use/occupation of the development.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy for the City of Manchester.

14) Upon occupation of the development the arrangements for waste and recycling as detail in document referenced: Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025 shall be fully implemented and maintained in situ thereafter.

Reason - In the interests of residential amenity and to secure appropriate arrangements for the storage and collection of segregated waste and recycling, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

15) Before the occupation of the development details of the appearance and specification of secured of cycle storage shall be submitted to and approved in writing by the City Council as local planning authority. The approved cycle storage shall be installed in the position shown on drawing referenced Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025 before the occupation of the development and maintained in situ thereafter.

Reason - To ensure that adequate provision is made for cycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Core Strategy for the City of Manchester.

16) a) Prior to any above ground works, a noise insulation and ventilation scheme for acoustically insulating the residential accommodation against and external and internal noise sources, together with details of the performance of any glazing, shall be submitted to and approved in writing by the Local Planning Authority.

The noise insulation and ventilation scheme shall take the potential for overheating into account. Noise survey data shall include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary. The following noise criteria shall be achieved when providing adequate ventilation as defined by Approved Document F of the Building Regulations (whole dwelling ventilation):

- Bedrooms (night time - 23.00 - 07.00) 30 dB LAeq (individual noise events shall not exceed 45 dB LAmax,F by more than 15 times)
- Living Rooms (daytime - 07.00 - 23.00) 35 dB LAeq

The development shall then be carried out in accordance with the approved noise insulation and ventilation scheme.

b) Prior to the first use/occupation of the development, a Completion/Verifiation Report shall be submitted to and approved in writing by the Local Planning Authority to validate that the work undertaken conforms to the recommendations and requirements of the approved noise insulation and ventilation scheme.

c) In the event of any non-conformity with the approved noise insulation and ventilation scheme, then any further measures that are required to achieve the required noise criteria shall be carried out. Any required measures and validation shall continue until conformity
has been achieved and agreed in writing by the Local Planning Authority, prior to first use/occupation of the development.

Reason - To secure a reduction in noise from external sources and in order to protect future residents from noise disturbance pursuant to policies SP1, H1 and DM1 of the Core Strategy for the City of Manchester and saved policy DC26 of the Unitary Development Plan.

17) Notwithstanding the detail of drawing referenced: Existing and proposed elevation and layout drawing Ref: P2E030518 received 27 November 2025 before the occupation of the development, details of appearance and specification of gates to be incorporated into the western and eastern boundary walls shall be submitted to and approved in writing by the City Council as local planning authority. The approved details shall be implemented before occupation of the development and maintained in situ thereafter.

Reason - In the interests of residential amenity pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester and the National Planning Policy Framework.

18) Before the occupation of the development, a scheme shall be submitted to and approved in writing by the City Council as local planning authority relating to the provision of measures to improve on-site security and to reduce the risk of crime. The scheme shall review existing security arrangements and detail related improvements that can be incorporated into the development. The approved scheme shall be implemented prior to the occupation of the development and maintained in situ at all times thereafter.

Reason - To reduce the risk of crime, pursuant to policies SP1, EN1 and DM1 of the Core Strategy for Manchester and to reflect the guidance contained in the National Planning Policy Framework.

19) Before the occupation of the authorised apartments, a scheme to encourage biodiversity within the application site shall be submitted to and approved in writing by the City Council as local planning authority, including the provision measures to encourage habitats for native bird and bat species. The development shall be implemented in accordance with approved scheme prior to the occupation of the authorised apartments and shall be maintained in situ thereafter.

Reason - in the interests of residential development and to encourage bio-diversity pursuant to policies SP1, EN1, EN15 and DM1 of the Core Strategy for the City of Manchester and the National Planning Policy Framework.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:
http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information
The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Mining Remediation Authority.

Guidance for developers can be found via the following:

http://www.manchester.gov.uk/info/500207/planning_and_regeneration/1962/additional_planning_guidance/3

Development Low Risk Area - Standing Advice The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242. Further information is also available on the Mining Remediation Authority website at: Mining Remediation Authority - GOV.

The applicant should be advised that any requirements for licensing and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highways Applications and Network Resilience teams via Contact Manchester.

Date: 3 February 2026

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Mining Remediation Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.
