SIGN TYPE 1 - Face Illuminated Restaurant Lightboxes

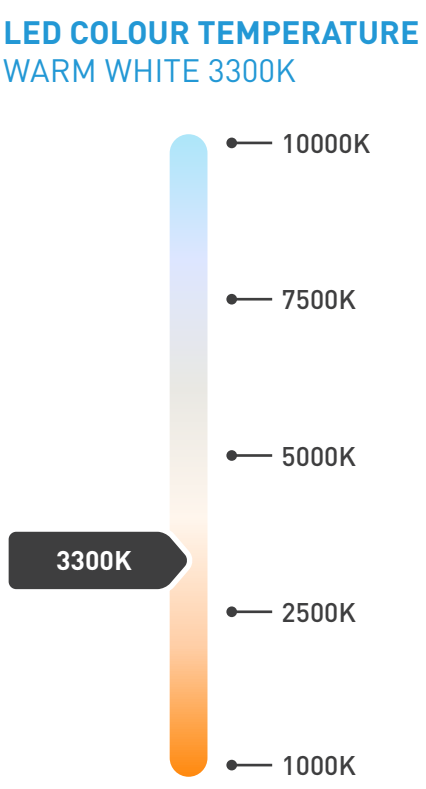

SPECIFICATION

Three single-sided, face-illuminated lightboxes. Each lightbox face to be fabricated from opal acrylic, with digitally printed vinyl restaurant logo graphics applied to the surface. Illumination to be provided by internally mounted premium LED modules, ensuring uniform and even face illumination. Lightbox cases to be securely mounted to the face of SHS (square hollow section) box sections, which are fixed between floor sockets and the soffit.

Fixing:	Screw fixed
Quantity:	1
Font:	as per artwork supplied
Colours:	Refer to key
