Hi Emily,

I refer to the above Condition Discharge application.

Condition 3 states ' Notwithstanding the details submitted with the application, prior to the commencement of development a hand sized sample of the proposed glass and a method statement for its installation and a cross section through the window shall be submitted for approval in writing by the City Council'

Submitted section drawing of window by Hawkstone ref 04002 and photo of replacement Arctic Glass are considered acceptable and would satisfy the above condition.

I hope this is of assistance,

Regards,
