Part 1 – Particulars of the application/development

Proposal: Discharge of Condition 3 (Materials) from Planning Approval 142651/VO/2025.

Location: Moston Lane Community Primary School, Moston Lane, Manchester, M9 4HH

Date of application: 29 January 2026

Application number: CDN/26/0091

Part 2 – Particulars of decision

Manchester City Council gives notice that the detail(s) referred to in Part 1 are **Refused** in accordance with the information set out below.

Condition 3 (Materials)

The following information has been submitted in respect of planning condition 3 (Materials):

- Application for Approval of Details Reserved by Condition, received by the City Council as Local Planning Authority on 29 January 2026.
- Supporting Information- Materials Schedule, received by the City Council as Local Planning Authority on 31 March 2026.
- Supporting Information- Illustrations x2, received by the City Council as Local Planning Authority on 10 April 2026.

The information submitted to discharge condition 3 is not sufficient.

During the course of the application, it came to light that the post for the central position upon which the finial details will be mounted across the scheme differs to the thickness of the posts approved within the approval of 142651/VO/2025. All the posts approved were of the same thickness. As the works can no longer be implemented as per the submitted plans, there is a discrepancy between the approved drawings and proposed

railing details submitted to discharge condition 3. A non-material change application should be submitted to amend the drawings attached to the approval, to ensure consistency.

Until such details are received and agreed, condition 3 cannot be discharged.

Date: 16 April 2026

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 (as amended) or Planning (Listed Building & Conservation Area) Act 1990 (as amended) does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 or sections 20 and 21 of the Planning (Listed Building & Conservation Area) Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-inspectorate. The Inspectorate will publish details of your appeal on the internet.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
