Subject: 145128/TPO/2026 - 5 Dundreggan Gardens, Manchester M20

John,

145128/TPO/2026 - 5 Dundreggan Gardens, Manchester M20

Felling of Ash tree to the rear of property.

During the site visit it was highlighted that the tree in question is a Norway maple, and that pruning works to this tree had previously been approved under planning reference 144987/TPO/2026.

Due to earlier approval for the removal of an ash in this area, full removal of the Maple would not be recommended at this time. Once the previous approved works have been completed, increased light levels are expected to benefit the trees' overall structure and form. For this reason, I would recommend a targeted reduction of the overhanging limb back to the main stem to be the most appropriate option at this time.

Kind regards

Rudi Farghaly
