NOTES:

1. This drawing shall be read in conjunction with all relevant architectural, structural (if applicable), mechanical, electrical, public health drawings, schedules, and specifications.
2. All MEP services work shall comply with the latest relevant guides and engineering standards (such as CIBSE, BSRIA, British Standards, Institute of Plumbing, and ISO), and the project-specific engineering specifications.
3. The Contractor shall allow and provide all necessary supports for equipment, pipework, other associated services, as required.
4. The Contractor shall coordinate all works with other trades on site to avoid conflicts with architectural finishes or services from other disciplines.
