Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This is a place of worship relied upon by the public for Friday prayers, Eid prayers and also night prayers (taraweeh) during Ramadan. There are also weddings there (including my own recently). Parking is strictly regulated and the officials try their utmost best but only a few individuals seemingly ruin the whole image for the 1000s of others who use the building weekly
