

FLOOD RISK ASSESSMENT

Project: NW Chorlton-cum-Hardy
Address: Chorlton-cum-Hardy, 438 Barlow Moor Road, Manchester, M21 0NW
Date: 12/02/26

APPLICANT:
NatWest Group Plc
RBS Gogarburn
1st Business House C
PO Box 1000
Edinburgh EH12 1HQ

AGENT:
Lewis & Hickey Ltd
1 St Bernard's Row
Edinburgh
EH4 1HW
T. 0131 343 6222

Flood Risk Assessment:

Due to the scale and amount of proposed works, we have found that the proposed works do not contain any flood risk implications, and as such, a flood risk assessment should not be required further for this proposal.

Flood Zone Information:

Flood Zone 2: An area with a medium flooding probability

- **Surface Water:** Low
- **Rivers & Sea:** Low
- **Groundwater:** Unlikely Risk
- **Reservoir:** Possible Risk

Notes:

You will need to do a flood risk assessment if your site is any of the following:

- bigger than 1 hectare (ha), 10000m²
- in an area with critical drainage problems as notified by the Environment Agency
- identified as being at increased flood risk in future by the local authority's strategic flood risk assessment
- at risk from other sources of flooding (such as surface water or reservoirs) and its development would increase the vulnerability of its use (such as constructing an office on an undeveloped site or converting a shop to a dwelling)
