

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Part-Retrospective Planning Application for a three-storey development of 9no. apartments (Class C3), including car parking, cycle and bin storage, landscaping and boundary treatments.

Location: Land Between Rochdale Road And Tudor Avenue, Blackley Park Road, Manchester, M9 4DQ

Date of application: 17 December 2025

Application number: 143656/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application.

Condition(s) attached to this decision

1) The elevational changes and site layout (with the exception of boundary treatment) hereby approved, shall only be carried out in accordance with the details shown on the following drawings:

Location Plan, RK103.05 (GA Floor Plans), RK103.02 (Proposed Elevations) and RK103.04 (Proposed Landscaping Plan), received by the City Council as Local Planning Authority on 6 August 2025.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

2) No further works shall take place until a Construction Management Plan, setting out the working practices for all remaining phases of the development, has been submitted to and approved in writing by the City Council as Local Planning Authority.

The Plan shall include, but not be limited to, details of:

- Dust suppression measures;
- Arrangements for the removal, recycling and disposal of waste;
- An emergency contact telephone number; and
- Parking arrangements for construction/contractor's vehicles;

The development shall thereafter be carried out in full accordance with the approved Construction Management Plan.

Reason - To protect the amenities of nearby residents, pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy.

3) The car parking layout indicated on drawing referenced RK103.04 (Proposed Landscaping Plan), received by the City Council as Local Planning Authority on 6 August 2025 shall be landscaped, demarcated and made available for use prior to the residential apartments hereby approved being occupied. The car park shall remain in use at all times whilst the building is occupied and be for the sole use of occupants of the development.

Reason - To ensure that there is adequate car parking for the development proposed when the building is occupied, pursuant to policies DM1, T2 and SP1 of the Manchester Core Strategy.

4) The bicycle storage area indicated on drawing referenced RK103.04 (Proposed Landscaping Plan), received by the City Council as Local Planning Authority on 6 August 2025 shall be made available for use prior to the residential apartments hereby approved being occupied and be retained thereafter for use by people residing and visiting the development.

Reason - To ensure that there is adequate cycle parking for the development in order to comply with policies T1,T2 and DM1 of the Manchester Core strategy and policy JP-C6 of the Places for Everyone joint development plan.

5) The hard and soft landscaping scheme approved by the City Council as Local Planning Authority as shown on drawing referenced RK103.04 (Proposed Landscaping Plan), received by the City Council as Local Planning Authority on 6 August 2025. shall be implemented within the first planting season following final occupation of the development hereby approved. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the Local Planning Authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance

with policies SP1, EN9 and DM1 of the Manchester Core Strategy and policies JP-S1, JP-P1 and JP-H3 of the Places for Everyone Joint Development Plan.

6) Notwithstanding the boundary treatment currently in situ or the details submitted, the residential apartments hereby approved shall not be occupied until there has been submitted to and approved in writing by the Local Planning Authority a plan indicating the positions, design, materials and specification of all boundary treatment/gates to be erected. The development shall only be carried out in accordance with the approved details and shall thereafter be retained.

Reason - In the interests of security and to ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

7) Notwithstanding details submitted, the residential apartments hereby approved shall not be occupied until a more detailed scheme for the storage (including segregated waste recycling) and disposal of refuse, has been submitted to and approved in writing by the City Council as Local Planning Authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of public health and residential amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy and policy JP-P1 of the Places for Everyone Joint Development Plan.

8) Prior to first occupation of the development hereby approved, details of 1 bird box (house sparrow terrace) to be installed within the curtilage of the application site shall be submitted to and agreed in writing by the City Council as Local Planning Authority. The agreed details shall be implemented in accordance with a timescale to be agreed and retained and maintained thereafter.

Reason - To enhance biodiversity enhancement at the site, pursuant to policy EN15 of the Manchester Core Strategy and policy JP-G8 of the Places for Everyone Joint Development Plan.

9) Prior to the first use of the car parking spaces hereby approved, a scheme for electric vehicle charging, together with details of infrastructure to allow further future EVC conversion shall be submitted to and approved in writing by the City Council as Local Planning Authority. The approved details shall then be implemented and be in place prior to the first occupation of the residential units hereby approved.

Reason - In the interest of air quality pursuant to policies SP1, DM1 and EN16 of the Manchester Core Strategy and policies JP-C8 and JP-S5 of the Places for Everyone Joint Development Plan.

10) Notwithstanding the Preliminary Risk Assessment submitted, before the development hereby approved commences, a revised report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

b) Prior to the first occupation of the development, a Completion/Verification Report shall be submitted to and approved in writing by the City Council as Local Planning Authority, to validate that the development conforms with the approved Site Investigation Report and/or Remediation Strategy.

c) In the event of any non-conformity with the approved Site Investigation Report and/or Remediation Strategy, then any further measures that are required to remediate the land shall be carried out. Any required measures/remediation and validation shall continue until conformity has been achieved and agreed in writing by the City Council as Local Planning Authority, prior to first use/occupation of the development.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy and policy JP-S1 of the Places for Everyone Joint Development Plan.

11) In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time after development commences, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land is submitted to and approved in writing by the City Council as local planning authority. The development shall then be carried out in accordance with these details, together with any previously approved Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy and policy JP-S1 of the Places for Everyone Joint Development Plan.

12) a) Before first occupation of the residential apartments hereby approved, a scheme for acoustically insulating the residential accommodation against noise from Rochdale Road shall be submitted to and approved in writing by the City Council as Local Planning Authority. The approved noise insulation scheme shall be completed before any of the apartments are occupied and shall thereafter retained.

The potential for overheating shall also be assessed and the noise insulation scheme shall take this into account. The approved noise insulation and ventilation scheme shall be completed before any of the dwelling units are occupied.

Noise survey data shall include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary.

b) Prior to first occupation of the residential apartments hereby approved, a verification report shall be submitted to validate that the work undertaken throughout the development conforms to the recommendations and requirements approved as part a) of this condition. The validation report shall also undertake post completion testing to confirm that the internal noise criteria have been met.

c) In the event of any non-conformity with the approved acoustic insulation scheme, then any further measures that are required to ensure conformity shall be carried out. Any required measures/mitigation shall continue until conformity has been achieved and agreed in writing by the City Council as local planning authority, prior to first occupation of the development.

Reason - To secure a reduction in noise from traffic and other sources in order to protect future residents from noise disturbance and to reduce the potential for overheating pursuant to policy DM1 of the Manchester Core Strategy, saved policy DC26 of the Unitary Development Plan for the City of Manchester and policy JP-P1 of the Places for Everyone Joint Development Plan

Reason - To secure a reduction in noise in order to protect future residents from noise nuisance, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy.

13) Prior to first occupation of the development hereby approved, a surface water drainage scheme for the development site, based on sustainable drainage principles, shall be submitted for approval in writing by the City Council, as Local Planning Authority.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation of the development.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution. This condition is imposed in light of national policies within the NPPF and NPPG and local policies EN8 and EN14 and policy JP-S4 of the Places for Everyone Joint Development Plan.

14) Prior to first occupation of the development hereby approved, the City Council as Local Planning Authority must acknowledge in writing that it has received written confirmation of a Secured by Design accreditation.

Reason - To reduce the risk of crime, pursuant to policies SP1 and DM1 of the Manchester Core Strategy and policies JP-S1 and JP-P1 of the Places for Everyone Joint Development Plan.

15) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) none of the residential units hereby approved shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2020, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

16) The residential units hereby shall be used only as private dwellings (which description shall not include serviced properties or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended), or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester, guidance contained within the National Planning Policy Framework, and policies JP-S1, JP-P1 and JP-H3 of Places for Everyone Development Plan.

17) Before first occupation of the development hereby approved, the bathroom windows in the south facing elevation facing Blackley Park Road shall be obscure glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address: <https://www.manchester.gov.uk/roads-and-transport/street-naming-and-numbering>

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Mining Remediation Authority.

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](#)
