Statement Overview:

Manchester City Football Club is committed to promoting environmentally responsible, accessible, and efficient travel to and from the Etihad Campus.

Prior to first use, details of a coach and bus parking/servicing strategy shall be submitted for approval in writing by MCC. The approved details shall be implemented prior to the first use of the development and thereafter retained and maintained in situ for as long as the development remains in use.

Local bus network 365 days a year

There are 7 buses that connect the campus with Greater Manchester that stop outside and we encourage usage of these through the website.

Matchday shuttles

During ingress, TfGM provides 5 additional buses operating city centre to the Etihad, which increase the frequency to every 6 minutes. Egress will see circa 12 buses operating as a load and go from Ashton New Road direct to the city centre (Piccadilly Gardens). In addition, there will be two shuttle buses to Ashton.

Coach parking

On event day and non-event day coach parking is available on Blue car park and Sport City Way. On matchday's we have 30 coach spaces on Sport City Way for group bookings, 30 spaces on Blue for Official Supporter Clubs and 25 spaces on Grey car park for visiting clubs.

Matchday bus

The Club's bespoke bus network sees 18 different routes operating across 75 locations, covering a combined total of more than 390 miles for Manchester City fans only.

Pricing is set in conjunction with TfGM. Under 16's can travel for half-price and under 5's and Concessions travel FOC.

Parking during the match is spread across Connell College and Ashton New Road.
