Date: 07/01/2026

PHOTOGRAPHIC SCHEDULE OF CONDITION

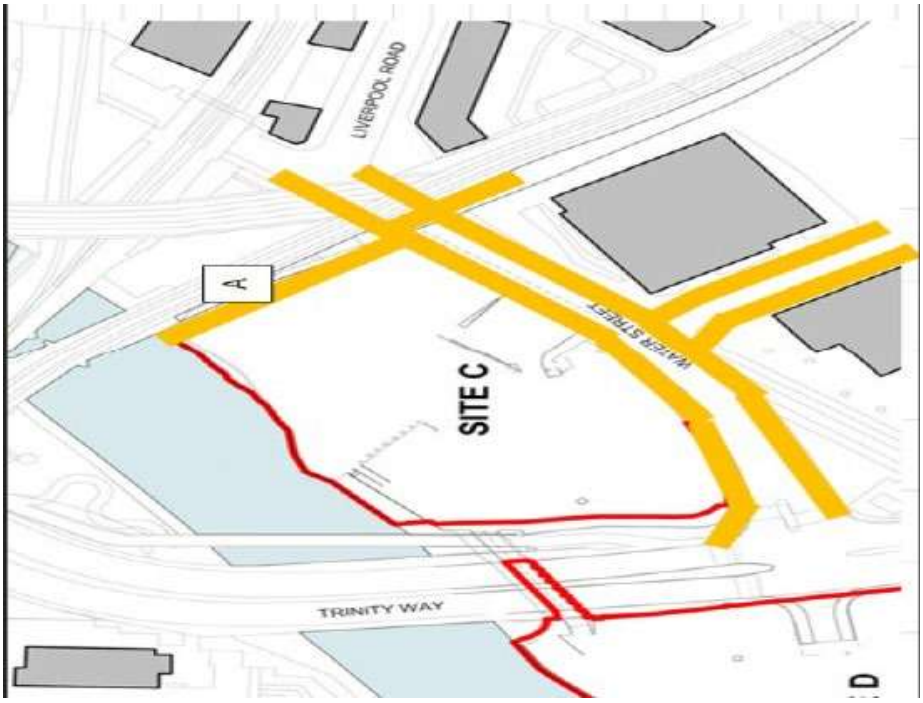

Of: Areas adjacent to Trinity Islands Site C, Manchester

Date: 7th January 2026

Conditions: Sunny and dry

Preliminary Notes:

1. This Photographic Schedule of Condition of the Highways and façades adjacent to Trinity Islands Plot D, Manchester is prepared in contemplation of the proposed works at Trinity Islands Plot D, Manchester. Photographic references to each area are outlined below.
2. The scope of this inspection was limited to that outlined in our fee proposal and as per the plan below, that being:
    a. The condition of existing roads, kerb lines, pavements, buildings, highway assets, street furniture, landscaping. Etc. to Water Street and New Elm Road
    b. The above to include for the bell mouth junction with Trinity Way and extending under Ordsail Chord
    c. The condition of the viaduct wall and inside arches along the northeast boundary of Site C
3. The inspection of the road itself was mostly taken from the pavement due to the high amount of traffic in the area.

Photographic references:

1. Railway Arches and associated paving/fixtures as seen from Trinity Islands Site C, photos taken from North to South. **Photos numbered: 1-571**
2. Pavement, street furniture, landscaping etc to East side of New Elm Road, photos taken from South to North. **Photos numbered: 572-1021**
3. Pavement, street furniture, landscaping etc to West side of New Elm Road, photos taken from South to North. **Photos numbered: 1022-1240**
