Second Schedule

Manchester

Manchester City Council hereby certify that on 29 January 2026 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed rear dormer, as shown on drawing 003, constitutes permitted development. The rear dormer would comply with Part 1, Schedule 2, Class B of the Town and Country Planning (General Permitted Development) Order 2015 (as amended), subject to compliance with the requirements of conditions B.2(a).

Alterations that affect "only the interior of the building" are not development by reason of section 55(2)(a) of the Town and Country Planning Act 1990, as the loft conversion relates to the interior, this element of the proposal would not require planning permission.
