- ☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
- ☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years

Where the use, building works or activity began on or after 25 April 2024

- ☐ The use, building works or activity began more than 10 years before the date of this application.

If the certificate is sought on 'Other' grounds please give details

The change of use from C3 to C4 began in about 2009 before the Article 4 directive came into force and has continued since then.
No planning permission was required in 2009 for the change of use from C3 to C4. Article 4 was not retrospective and therefore no planning permission is required now.

In the alternative this application is made on the basis that the C4 use began more than 10 years before the date of this application.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

◯ Yes
⊘ No

Please state why a Lawful Development Certificate should be granted

(1) the change of use from single dwelling house (C3) to small HMO (C4) took place in about 2009 before planning permission was required. Article 4 was not retrospective in effect so that when Article 4 came into force planning permission was still not required.

(2) the property has been in continuous use as a small HMO (six tenants) for in excess of 10 years preceding the date of this application.

Details of the pre-application advice received

That even though I could show that the change of user took place prior to the Article 4 directive coming into force in 2011, so that no planning permission was ever needed, the Planning department could not confirm that in writing (to satisfy a lender's requirements) and I would have to make a full application for a Lawful Development Certificate.

Interest in the Land

Please state the applicant's interest in the land

- [x] Owner
- [ ] Lessee
- [ ] Occupier
- [ ] Other

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
