Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Good day, please consider the extension for the British Muslim Heritage. It's a social centre for Muslims, where they meet like-minded fellows, learn about themselves and their religion. It's a space that feels like home to them. It's their relaxation centre. It's a place they get to refuel mentally and spiritually which makes them better individuals for the society.
