Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I'm writing in support of the proposal to extend the use of the temporary marquee at the British Muslim Heritage Centre for a further three years. The marquee has been an important space for community events, education, and gatherings that benefit both the Ummah and the wider local community. It has caused no disruption to the area and has allowed the Centre to continue serving people effectively. Keeping it in place will help the Centre maintain this positive work while longer-term plans are developed.
