Whilst we endeavour to ensure the accuracy of property details, we have not tested any apparatus, equipment, fixtures, fittings or services and so cannot verify that they are in working order or fit for purpose. Neither have we had sight of legal documents to very Planning Permission or the Freehold or Leasehold status of any property. Buyers are advised to obtain verification from their solicitor and/or surveyor. Items shown in photographs are not included, they may be available by separate negotiation. Although we try to ensure the accuracy of measurements, we recommend if potential purchasers require accurate measurements to order flooring, or to ensure existing furniture will fit, they should take their own measurements.
