

Technical specifications

Product class (ETIM)	Charging device for electric vehicles (EC002883)
Installation side connection model	3-phase
Nominal connection power	22 kW
Number of charging units	1
Max. power per charging point	22 kW
Width	352 mm
Height	620 mm
Depth	130 mm
Number of vehicle connectors Type 1	0
Number of vehicle connectors Type 2	1
Number of socket outlets Type 2	1
Number of socket outlets Type 3	0
Length of charging cable	4.5 m
With miniature circuit breaker (MCB)	no
