- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.

Manchester City Council has made an Article 4 Direction to remove permitted development rights that allow for a change of use from Class C3 - *Dwellinghouses* to Class C4 - *House in Multiple Occupation*. Further information regarding the Article 4 direction can be found on Manchester City Council's website:

If you intend to use the property to which this decision relates for any purpose other than a dwellinghouse, you should first contact Manchester City Council's Planning Service. Failure to obtain any necessary planning permission prior to carrying out a material change of use or physical development could result in enforcement action being taken, which can have serious implications.

This permission does not grant approval under Building Regulations.

Existing Surface Water Drainage System

If the applicant proposes to re-use the existing surface water drainage system, it is recommended that a full survey of the existing drainage infrastructure is undertaken.
