Part 1 – Particulars of the application/development

Proposal: Erection of single storey rear extension to shop (Class E), change of use of first floor with first floor rear and side extension to provide 2 x 1-bed apartments (Class C3) including external alterations, relocation of external equipment and provision of bin and cycle storage

Location: 129 Wilbraham Road, Manchester, M14 7DS

Date of application: 16 September 2025

Application number: 143929/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed single storey side extension, by virtue of its siting, projection beyond the established building line on Yew Tree Road and its addition to an already extended side elevation, would result in an overly prominent and visually intrusive form of development, harmful to the character of the street-scene and general visual amenity of the locality. The proposed development is therefore contrary to policies DM1, EN1 SP1 of the Manchester Core Strategy, saved policy E3.3 of the Unitary Development Plan for the City of Manchester, policy JP-P1 of Places for Everyone Joint Development Plan, The Guide to Development in Manchester (SPD) and the National Planning Policy Framework (NPPF).

2) The proposed side and rear extensions, due to their prominent corner location, substantial massing and rearward projection, would appear overly dominant and visually intrusive in the street scene. The cumulative scale of the extensions would not appear subservient to original property and would result in over development harming the character and appearance of the street-scene and the amenity of neighbouring occupiers. On this basis, the proposed development conflicts with Policies SP1, EN1 and DM1 of the Manchester Core Strategy, Policy JP-P1 of the Places for Everyone Joint Development Plan, The Guide to Development in Manchester (SPD) and the National Planning Policy Framework.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
