Comment Reasons:

Comment: The Marquee at the British Heritage Muslim Centre is an essential part of the building and what it represents. It hosts many important events and is part of keeping the Muslim community thriving in Manchester. I myself have attended numerous events there including educational talk for women about Islam which have significantly increased my faith and connection to the community. I really appreciate the part the Marquee, in particular, plays to get people not just around Manchester but further out too, to engage with one another.
