Comment Reasons:
Comment:We use this venue for many things, the group use it for hosting charity events; for family weddings and celebrations and also as an individual participating in the community events as I work in Manchester - whether it's Friday prayers, Ramadan events, Eid prayers and celebrations. Closing this venue would have a dramatic effect as there is no alternative in the area that functions in this capacity. It's a central hub for the community and thousands of people from all over the northwest benefit from it. It has its own car parking and is secluded away from the main road and away from residents. Please do take notes into consideration.
