Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: We need this extension. Manchester is a multicultural town with Muslim communities. During Ramadhan we offer more salah (prayer) and we have a huge amount of Muslims during this time and during Eid. Having this space allows us to have a secure place for prayer and continues to allow us to connect as a community. Without this extension we won't be able to carry out essential parts of our religion.
