

Proposed regular activities on the premises 1 of 2

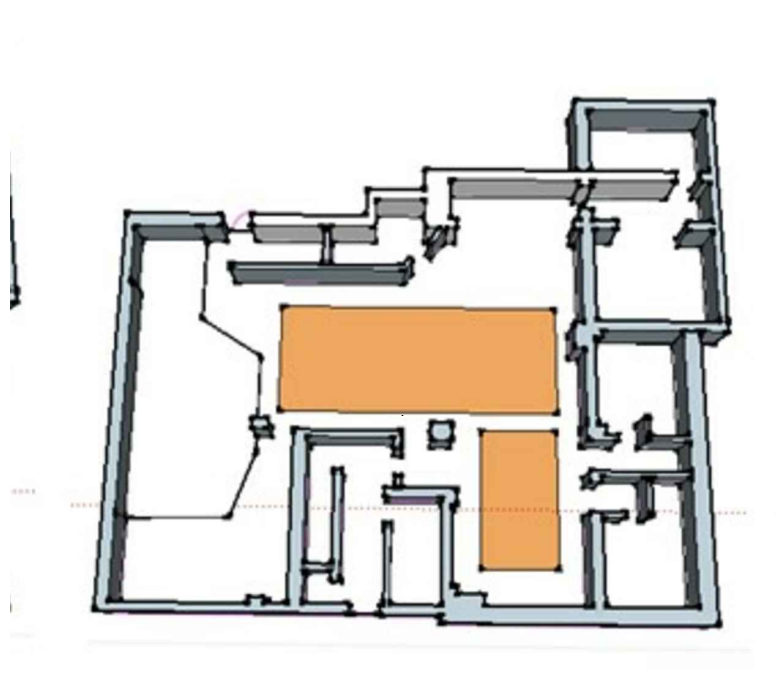

SUNDAY SERVICES

Our Sunday service is a weekly gathering where the community comes together to worship, learn, and grow in faith. It is a time of encouragement, reflection, and teaching, with a focus on moral and spiritual values that strengthen both individuals and families.

Beyond instruction, these services provide fellowship and a sense of belonging, reminding us that we are part of something greater than ourselves.

Services are held every Sunday from 11:00 a.m. to 1:00 p.m., and all are warmly invited to join.

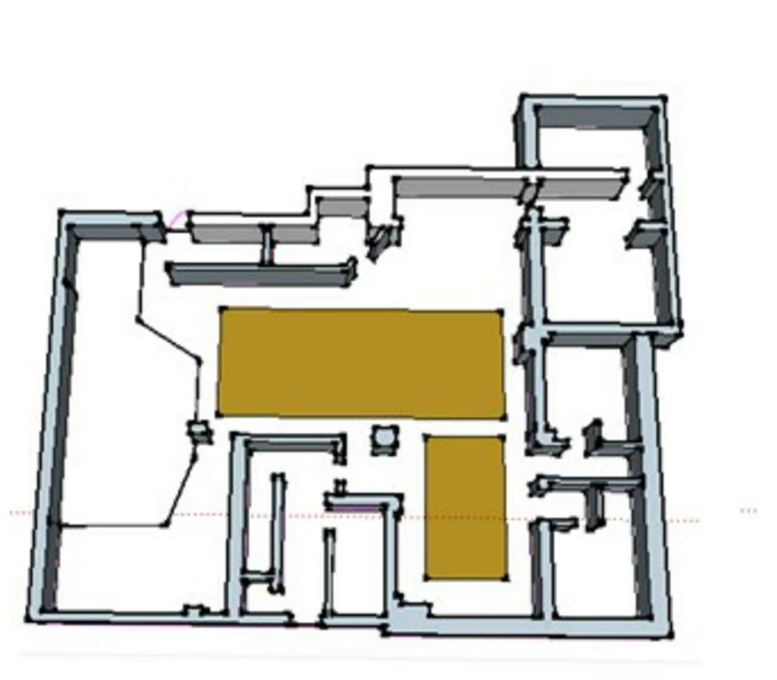

EXCELLENT MIND

Excellent Mind is a dedicated program designed to engage and support the youth in our community with their education. Our primary focus is on strengthening their foundation in Mathematics and English, which are essential building blocks for academic success. We provide guidance not only through structured lessons but also by assisting students with their homework, ensuring they gain confidence and practical skills in these core subjects.

The program is tailored for students in Year 7 to Year 11, offering them a safe and encouraging environment to learn, ask questions, and grow.

Beyond academics, Excellent Mind seeks to inspire discipline, curiosity, and a love for learning that will benefit them throughout their studies and beyond.

Sessions are held every Wednesday from 4:00 p.m. to 6:00 p.m., and all young people within this age group are warmly invited to take part.

SMILE PROJECT

The Smile Project is a monthly initiative dedicated to supporting underprivileged members of our community. Through this outreach, we provide essential items such as foodstuffs—including rice, spaghetti, and tinned goods—as well as household necessities like washing soap, toiletries, and other everyday supplies.

Our aim is not only to meet practical needs but also to bring encouragement and hope, reminding families that they are cared for and valued. By sharing these resources, we seek to ease burdens and strengthen the bonds of compassion within our community.

The Smile Project takes place on the second Saturday of every month from 12:00 p.m. to 2:00 p.m., and all who are in need are warmly welcome to attend.
