Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed against the policies within the Manchester Core Strategy and the guidance contained within the National Planning Policy Framework. The applicant was advised that the proposal would have a detrimental impact upon the existing levels of visual amenity enjoyed within the vicinity of the site.

Reason(s) for decision

1) The proposed development, by reason of its design and siting, would be out of character with the historic pattern of development in the area and result in an incongruous feature in the streetscene. It would therefore be detrimental to existing levels of visual amenity enjoyed within the vicinity of the site and contrary to Policies SP1 and DM1 in the Manchester Core Strategy and the guidance contained within the National Planning Policy Framework and National Design Guide.
