Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment:I would like to express my strong support for the extension of the marquee. This space is essential for our community, as it serves as a central hub for gatherings and events that foster a sense of belonging among residents. Over the years, the marquee has hosted numerous charity events that have made a significant positive impact, enabling us to give back to local causes and support those in need.

As a regular attendee, I've witnessed firsthand how the marquee brings people together, creating a vibrant atmosphere where friendships are formed and community spirit is strengthened. From cultural celebrations to fundraisers, the variety of events held there showcases the diversity and talents within our community.

I believe that retaining the marquee for the long term will not only enhance our community's development but also continue to promote inclusivity and engagement among residents. It's a place where memories are made, and I sincerely hope we can keep it as a staple of our community for years to come.
