Part 1 – Particulars of the application/development

Proposal: Erection of 4no. Class B2/B8 industrial/warehouse units with associated parking and external works

Location: Gorton Road, Manchester, M11 2DZ

Date of application: 19 June 2024

Application number: 139122/FO/2024

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

In this case, officers advised the applicant's agent that the planning application could not be supported and the reasons for this. As the development cannot be supported, and there have been discussions over a prolonged period to try to resolve the highway issues, it is appropriate for the planning application to be determined without further discussion and on the basis of the submitted details.

Reason(s) for decision

1) The applicant has failed to provide satisfactory arrangements for servicing and car parking. The applicant has not demonstrated that there would be no adverse impact upon the existing highway network, that the proposed development can be safely serviced, that the site can be safely accessed and egressed by 7.5t Panel Van and 7.5T Box Van vehicles, and that there would be no adverse impact upon pedestrian safety. The proposal is therefore contrary to policies T1, SP1 and DM1 of the Manchester Core Strategy (2012) and the requirements of the National Planning Policy Framework.

Date: 7 January 2026

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
