Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This is an important place of worship for the community. It is used for Friday prayers and doubles as a wedding Hall. There is no other facility in the area of this size or scale. It is very important that this remains open for the local community. The marquee itself causes no problems or inconvenience to anyone. Car parking is all in self enclosed within the grounds of the Muslim heritage Centre I strongly support the three-year extension.
