Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The heritage centre is a key element of our community, where we gather to perform prayer and if this was taken away, it'll have a significant impact to the community of the Whalley Range, Chorlton and surrounding areas due to the huge number this building can hold.

Please consider negative impacts to the area on a logistical and emotional level whilst making this decision.
