Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This marquee has served the majority of Muslim and other communities alike. Me and my family have every Friday come here to worship as it's a very inclusive place, they make provisions for women to pray peacefully which is not generally common in other mosques.

████████████████████ in greater Manchester comes here when the Muslims are fasting and in need of a venue which is always give for free. Removing the marquee would mean that we are going to struggle again to find venue for our gatherings that we can barely afford.
