

DO NOT SCALE  
Work to annotated dimensions only. Read drawings in conjunction with relevant specification, Structural Engineers' and Services Engineers' drawings. Confirm all dimensions before commencement of any work on site or fabrication.

NOTES

Existing Layout is based on the survey information from 2019, which is assumed to still be correct, with the following exceptions.

Changes have been made to the pub since 2019 to enable works on No.02 St Michaels. This includes the demolition of the toilet block extension to the north, and relocating the beer drop from the west side to the east side of the basement.

No.02 St Michaels  
Currently under construction
