Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Hi, this place has been transformational for my time in manchester, really loved all the prayers here, and has really allowed me to connect with manchester as a community, really made it feel like home.

This really is an asset to the manchester community in so many ways, I would love to see the extension take place as this really is a monumental area for the community
