Good morning,

3 Rushford Avenue Manchester M19 2HG - 144847/TCA/2025

The applicant has submitted the following pruning proposals:

Tree ID: T007 - Common Horse Chestnut Work: Re-pollard back to historic established points in order to remove weak branch attachments formed since the previous pollarding (years before the house was purchased in 2021).

Tree ID: T008 - Common Lime Work: Remove epicormic growths from base to crown break, to prevent excessive growth diverting energy from the tree and to improve the structural integrity of the tree.

I have viewed the submitted documents and I can confirm that we would have no objection to the proposed pruning of **T7** and **T8**.

Kind regards

Rudi Farghaly
