Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I would like to object to this scheme. Chorlton is a neighbourhood centre and as such should look like a neighbourhood. These tower blocks are completely out of character, will dominate the area and make it look like a city centre. We have already lost lots of small shops and community spaces, which is vital for a community. This application should absolutely not be authorised and Chorlton should be able to be the vibrant, friendly neighbourhood not dominated by overbearing buildings.
