Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The marquee at the British Muslim Heritage Centre serves a vital role in facilitating various initiatives. First and foremost it is a place of worship, needed especially on Fridays when large numbers of people attend the congregational prayer - without it a large amount of traffic would be generated as visitors who can't find a place to pray will be waiting outside for the next round. In addition the marquee supports initiatives and programmes organised by the heritage centre for the local community.
