Comment Reasons:

Comment: I have only recently been made aware of this application, thus the late response.

The whole BMHC is a vital nucleus to the whole community.

The Marque is multi function and much needed addition to the centre.

I am a regular visitor to the Marque both religiously and socially.

The objections raised are not valid and make no difference to whether the Marque is there or not, they are general issues.

The traffic will be there even if there is a house party on the road?

The traffic and noise is there even when Man Utd are playing at Old Trafford?

The Marque is a positive addition and should remain so.
