Comment Details

Commenter Type: Member of the Public
Stance: Customer made comments in support of the Planning Application
Comment Reasons:
Comment:The heritage centre marquee has been an integral part of the Muslim community in South Manchester. I have attended some genuinely life changing events there - whether that be the beautiful and bustling nights of Ramadan or the numerous friends and family I have attended getting married.

It would be a great shame and a great loss to remove a hub of the community as it provides a place of belonging and support
