Comment Reasons:

Comment: [REDACTED], and frankly don't understand why it has to be this way to get an extension for this lovey place. This is a place that brings the community together and allows us to practice our faith. With over 300+ people every Friday prayer and allowing the blessings of marriages to occur, with teaching children of the community and even educating people of all faiths. It's baffling to why this is happening and how anybody is opposing, you have the Carlton club around the corner who make just as much noise or whatever you wish to call it yet nobody decides to make it difficult for them. But when people of faith are trying to practice it then becomes an issue.

If anything is to be complained about is the people you have allowed to be housed in the building which has nothing to do with the marquee, the so called 'homeless' drug addicts who have ruined the area and made it feel unsafe
