MANCHESTER CITY COUNCIL

Appendix E - Waste Management Strategy (v7.00 from September 2023)

Planning Application Number: 145209/FO/2026
Date Submitted: 17/02/2026
Estimated volumes / m2 required by the development

Will this property be used as a House in Multiple Occupation (HMO)?	Yes / ~~No~~ (delete as appropriate)
If this property will be used as an HMO, how many people do you intend to accommodate (5+)?	Maximum 4 occupants (small HMO – C4)

Low Rise Domestic

Waste Types	Capacity required (litres)	Number of bins required (per household)	Confirm what is to be provided (and whether the developer or the resident will be responsible for ordering these)
General refuse	140 standard / 240 in certain circumstances	1 x wheeled bin (possibly more for HMO)	Existing 240L wheeled bin to remain. No change proposed.
Pulpable Recycling	240	1 x wheeled bin (possibly more for HMO)	Existing 240L wheeled bin to remain. No change proposed.
Mixed Recycling	240	1 x wheeled bin (possibly more for HMO)	Existing 240L wheeled bin to remain. No change proposed.
Garden Waste	240	1 x wheeled bin (possibly more for HMO)	Existing provision to remain
Food Waste	23	1 x 23 litre caddy (Possibly more for HMO)	Existing 23L caddy provision to remain.

High Rise Apartment Developments

0.43m2 has been provided per apartment for the containers, with extra space for residents to access each container and space for staff to manoeuvre each container for collection. (different for purpose-built student accommodation – see guidance)	Yes / No (delete as appropriate) How many of each container do you plan to provide? _____ x general refuse x 1100 litre (based on 110 litres per apartment) _____ x pulpable Recycling x 1100 litre (based on 55 litres per apartment) _____ x mixed recycling x 1100 litre (based on 55 litres per apartment) _____ x food waste x 240 litres (based on 10 litres per apartment) _____ x garden waste (if applicable) x 240 litres
Is it as easy, or easier, for residents to recycle, as it is for them to dispose of general waste?	Yes / No (delete as appropriate)

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste - Dry recycling (include material type details) - Food Waste - Industrial Waste - Other -

Has / will a contract be obtained with a licenced waste carrier?	Yes / No (delete as appropriate

Mixed Use Developments

Are the stores for residential and commercial waste completely separate from each other, with residents having no access to the commercial store and the commercial units having no access to the residential store?	Yes / No (delete as appropriate)

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Waste and recycling will be stored externally in existing wheeled bins.
No internal communal waste store is proposed.
Food waste will be stored in 23L internal caddies and transferred to the external bin for collection.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Existing external bin storage area to the side/rear of the property to remain.
Bins are presented at the kerbside on collection day in accordance with Manchester City Council requirements.

Ensure all bins in the store are accessible	☑
Ensure recycling facilities are as easy to access as general refuse	☑

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation -	External bin storage area is open air and naturally ventilated.
Hygiene -	External bin storage area and bins will be kept clean and tidy by residents, with the property owner/manager monitoring as part of ongoing property management.

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g., resident / management company

Residents will be responsible for placing bins at the kerbside on collection day and returning them to the property after collection. The property owner/manager will monitor compliance as part of ongoing property management.

Please ensure that you have attached:

Detailed plans of bin stores	☐
Location plans showing stores	☐
Location plans showing the proposed collection point and the route the collection vehicle will take (please refer to the Road, Vehicle and Waste Operative Access Specification – paying particular attention to turning space and reversing)	☐

Please ensure that you have completed this form in accordance with the latest version of GD04 Waste Storage and Collection Guidance for New Developments – v.7 September 2023, read in conjunction with the Waste and Recycling Service Standard found on the Council website.
