Comment Reasons:

Comment: The marquee at the British Muslim Heritage Centre has become an important venue for community and charitable activity, supporting events that bring together people of all backgrounds for social benefit, education, and support. As a temporary structure, it continues to offer a flexible and affordable space for organisations and volunteers to serve the wider community. Renewing permission for the marquee will ensure that these vital initiatives can continue, and that the local area does not lose a valued hub of community engagement and charitable work.
