Comment Reasons:

Comment: I fully support this application. The marquee at BMHC is not just an event space, it is an essential extension of a place of worship that serves the wider community throughout the year. It provides room for Jumm'ah salah, Taraweeh, funerals, Eid gatherings, youth programmes, and countless initiatives that simply cannot be accommodated within the main building alone.

The BMHC has always acted responsibly and with consideration for its neighbours. The marquee allows the centre to meet the genuine needs of a growing community and maintain services that benefit people of all ages, backgrounds and circumstances.

I strongly urge the council to renew the planning permission so these vital religious and community activities can continue without disruption.
