Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:There are ongoing and worsening disturbances caused by the venue on our road. For several years, residents have been subjected to unacceptable levels of disruption, including:
- Excessively loud noise and music
- Frequent fireworks causing distress and disturbance
- Vehicles blocking the road, restricting access and creating safety concerns
- Disrespectful behaviour from drivers and venue staff
- A continued refusal by the venue to take responsibility or address these problems

Despite multiple complaints over the years, no meaningful action has been taken, and the situation has deteriorated further. This is severely affecting our quality of life, peace, and safety.
