Comment Reasons:

Comment: The marquee has been home to some of the most exquisite and philanthropic events of our time. It is a strong belief of the general public to keep this building standing. The marquee is also home to the Friday prayer in which hundreds maybe even a thousand people attend and need a space to pray. However this could never be possible without this stunning marquee. As we get into the colder months, Praying outside of a building is not possible due to weather reasons. The marquee should definitely be granted permission in the eyes of many.
